

PATCH 63.3.1

Scheduled to be released to the field, Wednesday, November 22, 2006 at 1700-1800 CT

Contains Database and Application Server modifications.

FIXES

TD/PR/CRT/SCR	FIX	Initiated By	Critical Function
Problem Number 29005	Summary: 702 Promotion, APP-PAY-07207 Error Resolution: When processing a 702 (Promotion), users received error APP-PAY-07207 because the process was trying to end date the Non Pay Hours element when Non Pay Hours element did not exist. Modified code to check that the Non Pay hours exists before trying to end date element while processing a Promotion action.	CPMS	Promotion
Problem Number 29020	Summary: LN awards for 840A and 846A cannot be processed due to error (CIV_LN_AWARD_AMT_KR_IT) Resolution: Added missing code in the edit.	Army	Awards
CRT 06-52483-DOD	Summary: Add up to 3 new favorites for Self Service users Resolution: Rename existing Self Service favorite to CPMS Homepage (for URL http://www.cpms.osd.mil) Add URL for APPR/TECH users 'Federal Employees Dental and Vision Insurance' http://www.opm.gov/insure/DentalVision/index.asp Add URLs for NAF/APPR users 'Self Service Information' http://www.cpms.osd.mil/hrbits/selfservice.aspx 'NSPS Information' http://www.cpms.osd.mil/nsps/	CPMS	Self Service

	NAF Only		
CRT 06-52485-DoD	<p>Summary: Manage SS Users Tune process, add pos_type parameter, fix NAF user creation issues, and maintain different sets of favorites.</p> <p>Resolution: Modifications to the Self Service Account Creation Process. Process is end-dating SS accounts when new Professional accounts are built. Email addresses are only updating the HR person record, not User account file. New Position types are added and selectable. Code modified to eliminate processing error when SS creation process is run. All accounts created by the process were created with responsibilities.</p> <p>Note: The following Production defect tickets and CRT 06-51880-DOD were fixed along with this CRT.</p> <p>PR28746: Password change updates SS user account Email address.</p> <p>PR28702: CIV Manage Self Service User Account process completed with an error.</p> <p>PR28668: SS process created multiple user accounts/RPAs routed to MyBiz account.</p> <p>PR28598: CIV Manage SS User Accounting Creates My Biz (NAF) Without a Responsibility.</p> <p>PR28464: My Biz account is not end-dating or adding responsibility to account.</p> <p>CRT 06-51880-DOD: Add Position Types to the Civ Manage Self Service (SS) User Account Creation process.</p>	CPMS	Self Service
CRT 06-52478-DOD	<p>Summary: Self-Service Favorites for My Biz (NAF). Resolution: NAF user accounts were created with more favorites than customer wanted. This script removes the undesirable URLs.</p>	CPMS	Self Service
