

PERSONNEL / PAYROLL INTERFACE WORKAROUND

CPMS CONTROL NUMBER: 05-0009

ISSUE DATE:	27-Jun-05	PR/DAR NO:	SCR X8939
RESCIND DATE:		REMEDY NO:	TD 10066

PROBLEM : **PERSONNEL** **PAYROLL**

FEHB Pre-Tax Waiver was implemented in October 2000 for all federal employees. SCR 04-12019-DoD was implemented to allow DCPDS to maintain the FEHB Pre-Tax Waiver information. A new non-numeric NOA "HBP" was created to flow the FEHB Pre-Tax Waiver value in position 86 of the PAY500 if updated by a user in DCPDS. This new process was implemented in Patch 57.4.1, fielded on 24 Jun 05. DFAS has not implemented their SCR in DCPS, so when DCPDS flows a NOA "HBP" PAY500 to payroll, the transaction will reject back to personnel with Error #1016 - CODE/NUMBER NOT FOUND and Error Field NOAC.

SCR X8939 has been established to add the Pre-Tax Indicator and NOAC "HBP" to DCPS.

WORKAROUND: **PERSONNEL** **PAYROLL**

Personnel: Submit the hardcopy Pre-Tax Waiver to the payroll office citing official workaround #05-0009.

The DFAS memo on FEHB Pre-Tax Waiver is available on this link:
<http://www.defenselink.mil/dfas/money/civpay/P-00-13.pdf>

Payroll: Manually update the FEHB Pre-Tax Indicator on the employee's record.

DATE TO DFAS/CPMS: 21-Jun-05
