

PATCH 52.16.1

Scheduled to be released to the field, Wednesday, April 21, at 6:00 P.M. CDT

Database changes.

REPAIRS

PROBLEM REPORT NUMBER	REPAIR	Initiated By	Critical Function
Remedy 16726	<p>Summary: Retro NOA894 PAY500 shows wrong Organization Structure due to an NOA 790 action.</p> <p>Resolution: This script is for Retro PAY500 actions and corrects the wrong Organization Structure Code. Retroactive pay adjustments were processed on or about Mar 20, 2004 effective back to 11 Jan 2004. The PAY500 transactions produced from the process reflected Organization Structure information that was changed in the record after 11 Jan 2004 rather than the value in effect on 11 Jan 2004. Process Log Name = "R16726".</p>	CPMS	Pay Interface
