

Local Market Supplement Area Definitions

Department of Defense

National Security Personnel System

Local market supplement areas for standard local market supplements are identical to the locality pay areas established by 5 CFR 531.603(b). Those locality pay areas are defined here:
Locality Pay Area Definitions

Note: On September 28, 2009, the Office of Personnel Management published an Interim Rule in the Federal Register moving the McGuire Air Force Base (341778005) and Fort Dix (341052005) portions of the new Joint Base McGuire-Dix-Lakehurst from the Philadelphia locality pay area to the New York locality pay area, effective the first pay period beginning on or after October 1, 2009. The FIPS codes for these locations are shown in parenthesis above.
