Cooperative Management Behavior

- Aligns with items from Questions #23, #25, and #18 in Appendix A
- Question intro for items 1 thru 5 stated, “How often do the following occur in your workplace?”
- Question intro for Items 6 thru 14 stated, “How often are the following reflected in your workplace?”
- Question intro for item 15 stated” To what extent do you agree or disagree with the following statements regarding labor–management relations in your organization?”
- Items 1 thru 5 were measured on a 5-point scale where 1 = “Never”; 2 =” Rarely”; 3= “Sometimes”; 4 = “Often”; 5 = “All of the Time”. There was also a “Not Applicable” option, which excluded responses from analysis.
- Items 6 thru 14 were measured on a 5-point scale where 1 = “Never”; 2 =” Rarely”; 3= “Sometimes”; 4 = “Often”; 5 = “All of the Time”. There was also an “I don’t know” option, which excluded responses from analysis.
- Item 15 was measured on a 5-point scale where 1 = “Strongly Disagree”; 2 =” Disagree”; 3= “Neither Agree Nor Disagree”; 4 = “Agree”; 5 = “Strongly Agree”.
- Respondents received an index score if they selected a number from 1 through 5 for at least 8 of the index items.
- Percents are based on a combination of Never/Rarely and Often/All of the Time responses for items 1 thru 14. For Item 15, percent agreement is based on a combination of “Agree” and “Strongly Agree” responses. Percent disagreement is based on a combination of “Disagree” and “Strongly Disagree” responses.

Union Compliance Index

- Aligns with items from Question #18 in Appendix A
- Question intro stated” To what extent do you agree or disagree with the following statements regarding labor–management relations in your organization?”
- Items were measured on a 5-point scale where 1 = “Strongly Disagree”; 2 =” Disagree”; 3= “Neither Agree Nor Disagree”; 4 = “Agree”; 5 = “Strongly Agree”.
- Respondents received an index score if they selected a number from 1 through 5 for at least 1 index item.
- Percent agreement is based on a combination of “Agree” and “Strongly Agree” responses. Percent disagreement is based on a combination of “Disagree” and “Strongly Disagree” responses.
