MEMORANDUM FOR COMMANDING OFFICERS OF MILITARY DEPARTMENTS AND  
DOD COMPONENT INSTALLATIONS IN THE LAKE,  
ILLINOIS WAGE AREA

SUBJECT: State Minimum Wage Adjustment for Lake, Illinois [Wage Area #145]

The minimum wage for the State of Illinois will increase to \$7.75 per hour effective July 1, 2008.

The enclosed regular wage schedules, #026, are applicable to the AC - 545 (RUS) area definition only and reflect the new state minimum wage for Illinois. They supersede the wage schedules #025, applicable to AC - 545 (RUS), which were effective on December 15, 2007. Pay changes occur at NA-1 and NL-1 only. The effective date is July 1, 2008.

Please note that no pay changes are required for regular schedules #025, applicable to the AC- 145 (CHI) and AC - 345 (MIL) area definitions, as all schedule rates exceed the new state minimum; thus, new schedules are not being issued for these area definitions. However, these schedules now appear as #026 on the CPMS website ([www.cpms.osd.mil](http://www.cpms.osd.mil)) to maintain proper alignment of schedule numbers.
