

MoDA CLASS 20 - CRITICAL VACANCIES

Application Suspense: 27 May 2016 Training Begins 25 July for a 25 September Deployment

COCOM: CENTCOM

Kabul, Afghanistan

Function: Train, Advise, Assist (TAA)

Tour length: 2 months CONUS Training, 12 month Deployment

Series: 1710/0301

Clearance: SECRET Location:

Title: Advisor

Grade:GS-13/14/15

Background: The Ministry of Defense Advisors (MoDA) Program is designed to forge long-term relationships that strengthen a partner state's defense or interior ministry. The program matches senior Department of Defense (DoD) civilians with ministry counterparts in similar functional areas. Selectees must complete a comprehensive and highly tailored 7-week CONUS training course prior to deployment. Classes include: Culture and language training, Personal Security and Awareness, Advising and Mentoring Skills, and are reinforced by engagement scenarios using native speaking role players.

SENIOR EDUCATION ADVISOR

This professional position administers, supervises, advises designs, develops, and provides educational and training expertise and services in formal education and training programs to both DCOM-P training and to the afghan national police (ANP) training general command (TGC). The work requires knowledge of learning theory and the principles, methods, practices and techniques of one or more specialties of the instructional systems series. This position requires the holder to act as the primary training management systems (TMS) expert for DCOM-P. He/she must work in coordination with ANPTGC and ANP operational pillars, along with international providers, to assist in the development and transition of an enduring ANP TMS that will enable the ANP to provide needed policing skills through a systematic, process driven program that will meet evolving NAP operational needs.

Desired Knowledge, Skills, and Abilities:

Resumes should address any trainer, formal mentoring, cradle to grave PM, and foreign partner engagement experience in detail.

- Demonstrated communication and interpersonal skills, including the ability to work collaboratively with counterparts to help achieve goals through the provision of quality advice, support and mentoring.
- Proven self-starter who can be successful working independently or within a team at various organizational levels and with executives/managers/leaders from multiple functional areas and organizations.
- Proven success in organizational capacity building, and demonstrated ability to share knowledge, mentor and coach others.
- Demonstrated ability to work in an environment with limited resources and to apply innovative and creative solutions to solve problems.

- Experience developing and coordinating policies and strategies within one or more of the above functional areas for the purpose of developing national-level defense capabilities.
- Experience with training and working internationally with partner governments or their militaries is desired.
- Strong interest in learning a foreign language and demonstrated ability to adapt to a diverse cultural environment.

Additional requirements:

- You must be a U.S. citizen to be considered for this requirement.
- You must hold and be able maintain a SECRET (or interim SECRET) security clearance.
- Incumbent will be detailed from their home organization for a period of 14 months to include training, pre-deployment preparation and a 12 month detail assignment to Afghanistan. Incumbent must gain home organization approval upon being accepted into the MoDA program and must satisfactorily complete pre-deployment training and screening requirements before final approval to deploy as a MoDA advisor.
- Applicants for these positions must pass a pre-employment medical examination. These positions require applicants to function in a physically demanding environment and to be able to maneuver with the additional weight of body armor in extreme temperatures, including but not limited to: You may need to lift and move heavy items.
You may need to stand for prolonged periods on concrete floors and walk over rough and uneven terrain.
You may need to bend, stoop, walk, stand, and climb, and work in cramped positions. You may need to work outdoors, often under adverse weather conditions.
